For ambitious US-based players seeking a professional football environment in Europe, without an existing right to remain in Europe on a visa basis.

Brooke House PRO

PROGRAM OVERVIEW

INTRODUCTION

Brooke House PRO is a **unique European football and education pathway** designed for motivated US players who want to pursue professional football opportunities in Europe while completing a **fully accredited US bachelor's degree** — at **European tuition costs**.

This program provides a **legal, structured route to live, train, and compete in Europe**, combining:

- A **professional football environment in Madrid**
- A **US-accredited degree program**
- A **merit-based, earn-your-way football pathway**

⚠ *There are no guarantees of minutes, contracts, or professional outcomes. Progression is earned by YOU!*

THE FOOTBALL ENVIRONMENT

Base Location:
Madrid, Spain

Club Partner: Unión Adarve (*Competing in the same league as Real Madrid C team*)

Players will train and compete within a **highly competitive Spanish football environment**, built around:

- Professional-level training standards
- Tactical and physical demands of European football
- Exposure to the Spanish football pyramid

EARN YOUR WAY

- No guaranteed playing time
- No guaranteed contracts
- No guaranteed progression

Every opportunity must be **earned through performance, professionalism, and consistency.**

This mirrors real European football culture — honest, competitive, and unforgiving.
